

BALLYPORTRY CASTLE

The 15th Century Gaelic Tower House

SEVEN EXTRA TREATS

The following treats can be arranged in advance of your visit.

1. Dinner cooked and served for you and the dishes all cleared and put into the dishwasher on 3 nights of a week long stay.
2. The fridge can be stocked for you with what is needed for breakfast or supper.
3. Someone can come in and light the fires in the evening by 5pm. It takes a couple of hours for the fires to get going because of the long chimney flues and there is a bit of skill needed.
4. We can put you in touch with expert guides to the Burren for a morning or afternoon walking tour or a talk in the evening for you and your guests.
5. A picnic can be prepared and delivered to you in the morning for your expeditions.
6. Irish musicians can come and play traditional music on flute and fiddle for an hour before or after dinner in the evening.
7. We can arrange to supply house wine from Patrick Egan's wine bar in Liscannor and a selection of Irish cheeses.
